## WORK EXPERIENCE

### Front End Developer, Forum Communications

Fargo, ND — 2015-Present

Design, develop, and test front-end code for Forum news sites. Create graphic resources and mockups needed for implementation. Understand and keep up with current UX, design and code standards.

### Front End Developer, Swanson Health Products

Fargo, ND — 2013-2015

Ensure all front end code is tested and optimized. Develop project plans and ensure projects are completed within scope and deadlines. Design mockups and graphic resources for development.

### Graphic/Interactive Media Designer, University of North Dakota

Grand Forks, ND — 2010-2013

Worked in marketing for Residence Services. Designed and produced calendars, planners, posters, videos, websites and special promotional materials. Supervised student graphic designers.

### Production Manager, Casino Enterprise Management

Fargo, ND — 2009-2010

Produced graphics and designed articles for various magazines. Designed and created websites and email campaigns. Handled advertising clients and managed final production of magazines.
